Maharashtra , India
SSC | Dnyandeep Vidya Niketan , Hinganghat , 75.00% | 2019
Maharashtra , India

PROJECTS

JavaScript API Project (Personal Project)

- Developed a dynamic web application that fetches data from a public API and displays it in a clean, responsive layout.
- Styled the interface and implemented interactive features entirely using JavaScript without relying on external frameworks.

CO-PO Attainment Management System (B.Tech. Final Year Project)

- Built a full-stack application using Next.js, MySQL, Drizzle ORM for academic CO-PO data management.
- Integrated dynamic dropdowns, student data tables, and automatic attainment calculation.

WORK EXPERIENCE

PHN Technology Intern

April 2023- June 2023

Pune, India

- Key Skills: HTML | CSS | JavaScript
- Developed and maintained various web pages using HTML, CSS, and JavaScript.
- Created responsive and user-friendly interfaces compatible with different devices and screen sizes.
